V2520						
062	45 Amp DP, neon indicator	nr	19.70	11.46		31.16
V2525	SOCKET OUTLETS : remove damaged socket outlet, supply and fix new socket outlet (MK Refs)					
135	13 Amp, 240 volt, one gang, moulded plastic socket outlet Ref: K780	nr	5.27	8.81		14.08
136	13 Amp, 240 volt, two gang, moulded plastic socket outlet Ref: K781	nr	11.16	8.81		19.97
137	13 Amp, 240 volt, one gang, moulded plastic switched socket outlet Ref: K2757	nr	4.13	8.81		12.94
139	13 Amp, 240 volt, two gang, moulded plastic switched socket outlet ref: K2747	nr	7.60	8.81		16.41
140	13 Amp, 240 volt, one gang, switched, neon indicator Ref: K2657	nr	11.13	8.81		19.94
141	13 Amp, 240 volt, one gang, moulded plastic safety socket, RCCB protected, 10 - 30 mA tripping current Ref: K6100	nr	87.96	8.81		96.77
142	13 Amp, 240 volt, safety socket, one gang, neon indicator, RCCB protected, 10 - 30 mA tripping current Ref: K6300	nr	77.20	8.81		86.01
143	13 Amp, 240 volt, one gang, aluminium or enamelled finished metalclad switched socket outlet Ref: K14357	nr	18.92	8.81		27.73
145	13 Amp, 240 volt, two gang, aluminium or enamelled finished metalclad switched socket outlet Ref: K14347	nr	33.30	8.81		42.11
147	13 Amp, 240 volt, one gang matt chrome finished metalclad safety socket, RCCB protected, 10 - 30 mA tripping current Ref: K6301	nr	109.25	8.81		118.06
V2530	SOCKET OUTLETS : supply and fit white moulded plastic plate, surface or flush mounting, backbox, flexible PVC insulated earth continuity conductor between box and plate (MK Refs)					
170	13 Amp, 240 volt, one gang, moulded plastic socket outlet Ref: K780	nr	5.27	10.14		15.41
172	13 Amp, 240 volt, one gang, moulded plastic switched socket outlet Ref: K2757	nr	4.13	10.14		14.27
174	13 Amp, 240 volt, one gang, switched, neon indicator Ref: K2657	nr	11.13	10.14		21.27
175	13 Amp, 240 volt, two gang, moulded plastic socket outlet Ref: K781	nr	11.16	10.14		21.30
176	13 Amp, 240 volt, two gang, moulded plastic switched socket outlet ref: K2747	nr	7.60	10.14		17.74
178	13 Amp, 240 volt, two gang, switched, neon indicator Ref: K2647	nr	17.26	10.14		27.40
179	13 Amp, 240 volt, one gang, moulded plastic safety socket, RCCB protected, 10 - 30 mA tripping current Ref: K6100	nr	87.96	10.14		98.10
180	13 Amp, 240 volt, safety socket, one gang, neon indicator, RCCB protected, 10 - 30 mA tripping current Ref: K6300	nr	77.20	10.14		87.34

V : ELECTRICAL SERVICES : WORKS OF ALTERATION/SMALL WORKS			Mat.	Lab.	Plant	Total
			£	£	£	£
V2535	SOCKET OUTLETS : supply and fit white moulded plastic plate, surface bench mounting, angled bench pressed steel backbox, flexible PVC insulated earth continuity conductor between box and plate (MK Refs)					
182	13 Amp, one gang, switched, single sided Ref: K2757	nr	8.35	13.22		21.57
184	13 Amp, one gang, switched, double sided Ref K2757	nr	16.70	13.22		29.92
186	13 Amp, two gang, switched, single sided Ref: K2747	nr	13.31	13.22		26.53
188	13 Amp, two gang, switched, double sided Ref: K2747	nr	26.62	13.22		39.84
V2540	SOCKET OUTLETS : supply and fit aluminium or enamelled finished metalclad plate, surface mounting, backbox, flexible PVC insulated earth continuity conductor between box and plate (MK Refs)					
295	13 Amp, 24 volt, one gang, switched Ref: K2977	nr	10.90	13.22		24.12
297	13 Amp, 240 volt, one gang, switched, neon indicator Ref: K2477	nr	22.53	13.22		35.75
299	13 Amp, 240 volt, two gang, switched Ref: K2946	nr	17.16	13.22		30.38
301	13 Amp, 240 volt, two gang, switched, neon indicator Ref: K2446	nr	37.57	13.22		50.79
303	13 Amp, 240 volt, safety socket, one gang, neon indicator, RCCB protected, 10 - 30 mA tripping current Ref: 56301	nr	88.96	13.22		102.18
V2545	FUSED CONNECTION UNITS : remove damaged fused connection unit, supply and fix new unit					
255	20 Amp, 240 volt, moulded plastic fused connection unit, flex outlet, neon indicator	nr	16.16	15.86		32.02
257	20 Amp, 240 volt, moulded plastic switched fused connection unit, flex outlet, neon indicator	nr	17.61	15.86		33.47
259	20 Amp, 240 volt, satin chrome finished metalclad fused connection unit, flex outlet	nr	14.18	15.86		30.04
261	20 Amp, 240 volt, satin chrome finished metalclad switched fused connection unit, flex outlet, neon indicator	nr	24.43	15.86		40.29
V2550	FUSED CONNECTION UNITS : supply and fit white moulded plastic plate, surface or flush mounting, backbox, flexible PVC insulated earth continuity conductor between box and plate					
350	13 Amp, 240 volt, fused, cord outlet	nr	16.68	12.78		29.46
352	13 Amp, 240 volt, fused, switched, neon indicator, cord outlet	nr	12.29	12.78		25.07
V2555	FUSED CONNECTION UNITS : supply and fit aluminium or enamelled finished metalclad plate, surface mounting, backbox, flexible PVC insulated earth continuity conductor between box and plate					
400	13 Amp, 240 volt, fused, cord outlet	nr	13.16	10.58		23.74
